Pricing

Black Swan	\$55 pp
Pelican	\$75 pp
Dolphin	\$85 pp
Venue Hire per day	\$250
Two Hour Cruise	\$1,500

Frequently asked questions.

Is a cruise included?

Our seminars are normally held with the vessel remaining at the jetty although cruising options are available.

Where would the vessel cruise?

Your vessel will depart from Barrack Square, travel west under the Narrows bridge past the Old Swan Brewery and into Matilda Bay. Our journey takes us past the University of Western Australia and the Royal Perth Yacht Club towards the

Raffles Hotel at Canning Bridge, the captain will then steer her down river before it is time to turn around and return to Perth. The journey follows the same route returning to the city and your students will enjoy the views of Kings Park, the city skyline and river foreshore.

What about stability?

The Crystal Swan has three hulls, one on each side and one in the middle and combined with the massive weight is a very stable boat when cruising. As with all vessels on the water it will move depending on traffic but any motion is usually very swift and comfortable.

Where do our guests embark/disembark?

The Crystal Swan departs and returns to Barrack Street Jetties in the Perth CBD.

Do you cater for special diets?

Yes, your event coordinator will enquire early in the planning process if you have any special dietary requirements so that we may be prepared; religious, lifestyle and allergies can all be accommodated as long as we are informed.

Is there parking nearby?

We recommend parking at the Perth City Council car park opposite the Perth Concert Hall. This car park is open 24 hours a day, seven days a week and is a short 5 minute walk to the jetty.

Is there public transport nearby?

The Blue Cat bus stop at Barrack Square is a two minute walk from our jetty berth with a taxi stand a couple more minutes away at the front of the Lucky Shag Waterfront Bar

Elizabeth Quay train station is a comfortable ten minute walk to the Barrack Square Jetties and if your office is in the CBD we recommend a brisk walk to start your day.

Who will be on board on the day to organise my event?

Your event coordinator will be onboard at all times to ensure what we promised to be delivered is actually delivered.

Do you have wheel chair access?

Unfortunately no. The Crystal Swan is not wheel chair friendly although events in the past have included the occasional wheel chair bound guest. There are no disabled toilets onboard and the suitability of the vessel remains at the discretion of the guest concerned.

What if it rains? Is windy? Storming?

As we are fully enclosed, rain is no problem but the wind can be an issue due to the box shape. Marine Safety places a restriction on the vessel departing the jetty if the winds are 30 knots or stronger although your event will continue at the jetty until the winds subside or the function concludes. Unfortunately this can happen and therefore is included in the terms and conditions sent to all clients prior to booking. The Master of the vessel will determine if conditions are safe or unsafe.

Can I change the menu?

We are very flexible with our menus; so if you wish to make changes we are happy to assist. Changes to the menu may incur additional costs.

Is there a minimum number of guests?

No, the vessel is available for day time meetings/seminars with no minimum number requirement.

What about my beverages?

Beverages may be paid for by the following arrangements; cash bar or on consumption.

Is the food prepared on board?

Yes. All menus are prepared and cooked on board in our commercial kitchen.

Inspections for my event

The vessel is open Monday through Friday 10.00 am – 3 .00 pm and on Saturdays by appointment. To arrange an inspection call or email and we will set up a time to suit.

Can I bring my own audio visual on board?

Yes. We recommend Perth AV although you are welcome to make separate arrangements and our staff will set the venue to your instructions.

What should I do if I want to book a date for my event?

If you are happy then there are two options available; pay the deposit at that time or place a tentative hold for your preferred day. A deposit to secure your booking is then due 7 days after the hold is placed.
